Conditions of Hire

All materials that are the material and intellectual property of Gordon Cree are hired upon the acceptance of the following conditions:

1. All materials are hired for a period of twenty-eight days. This gives requirement that any hired materials are postmarked on return no later than thirty days from the sent postmark.
2. Cost of hire for each twenty-eight-day period (or part thereof) is £62.50 plus postage and packaging. This permits up to two public performances on the same date and in the same venue. Further performances in the same twenty-eight-day period will be charged at a rate of £30.00 per performance (or per two performances which occur on same date at the same venue). Late returns will be charged as a further hire period.
3. The hirer gives assurance that all public use of materials will be reported to the PRS for Music.
4. The hire of materials is for live performance only. Recording of such materials is only possible with an express written agreement with Gordon Cree.
5. Recording, whether audio and video, of any live performance of materials is prohibited without express written permission of Gordon Cree.
6. Due care must be taken of materials while on hire. Any damage, whether deliberate or accidental, must be reported to Gordon Cree Music Library immediately. Replacement cost may be charged for irreparable damage.
7. The materials which are hired remain the intellectual property of Gordon Cree and full copyright exists upon them with all rights reserved. They must not be copied or reproduced in any way, whether by mechanical or manual means.
